Lighting Rehang		\$100.00	\$100.00	\$100.00
-----------------	--	----------	----------	----------

Some performances require major changes to the configuration of lighting. Instruments need to be taken down, re-hung to the specifications of the show, then restored to the house hang afterwards. The labour involved varies but typically takes 4 hours at either end. For this reason any performance that requires substantial variation from the house hang will incur a charge of \$100 to cover the labour involved.
