TREASURE FAIR

A Fundraiser

This fine cultural hub needs you.

Let's break it down: ticket sales comprise less than 25% of the revenue required to operate this facility. Fundraisers make up the difference needed to maintain and operate the building. That's why the annual Treasure Fair fundraiser is truly important.

We are so grateful for your support.

This Auction is subject to ArtSpring's terms and conditions which can be found within this catalogue.

All proceeds of Treasure Fair are in support of ArtSpring.

TERMS AND CONDITIONS

You'll be issued a personal bidder number upon registering for the live auction. Use it when bidding.

If you are the successful bidder, you will be given a sales slip to give to the cashier at the time of payment. You can pay our cashiers by cash, personal cheque, Visa, or Mastercard.

Please pick up your item(s) immediately following the live auction. Present your receipt at that time. If the item is too large to take away immediately, please make arrangements to come back from 12 noon - 3pm on Sunday July 21st.

Arrangements for services and experiences are the responsibility of the successful bidders. Reach out to the donors; they will not know the names of the successful bidders. Unless otherwise stated, services and experiences are valid until July 2020.

Every attempt has been made to provide accurate and full descriptions of items and experiences. All lots are auctioned on an "as is" basis, and sales are final, with no exchanges or refunds.

On July 18th, ArtSpring will open its doors to a silent auction extravaganza with 700 (and counting) items valued at over \$100,000. Funds raised go directly into the operations and sustainability of ArtSpring as Salt Spring's largest community arts centre.

The money raised will help ArtSpring maintain and evolve the community's use of the 259-seat theatre, box office and online ticketing services, 3 galleries with artist workspace, meeting room, lobby, extensive grounds surrounding the building, and parking lots.

In 2018, our community raised approximately \$55,000 during Treasure Fair which allowed ArtSpring to upgrade theatre equipment with a new projector and curtain system, improve technology systems throughout the building, upgrade dressing room hallway wall to wall mirrors, and develop a new website (to be launched in late 2019).

On the horizon, ArtSpring hopes to renew flooring in the gallery and carpet throughout the building, paint the interior and exterior of the building, and upgrade some of the theatre systems.

For 20 years, ArtSpring has been dedicated to the advancement of the arts on Salt Spring Island and each year our community comes together to raise over \$150,000 with Treasure Fair as one of its critical fundraisers.

With the efforts of dedicated volunteers and Treasure Fair coordinator, Charlotte Priest, the Treasure Fair team reached donation capacity early this year and are thrilled with the array of exceptional items, services, and experiences which will be expertly displayed throughout ArtSpring. During the three day event, Treasure Fair will see hundreds of people come through its doors.

"We always look forward to going to Treasure Fair and for us, it is the highlight of the year at ArtSpring", shares longtime supporters Joan and Larry Blackman of Vetta Presents.

"We have fun bidding on things – both the silent and not so silent auctions. Sometimes we end up with bargains (and sometimes not when we get carried away outbidding our friends!) but it is all for a great cause."

"This year we are happy to have a few things we can donate – it is just another way to participate in a great event. ArtSpring is not just a building, it is a community and getting to know and be a part of it is the real treasure."

Without ArtSpring, the arts community on Salt Spring Island would lose a vital resource. ArtSpring was built by a passionate community determined to see their island artists thrive and art enthusiasts satiated.

MESSAGES

Back in March, I was told that Treasure Fair is like a well-oiled machine; once it starts, it just keeps going! This being its 19th year, I can say with certainty that without the help of the many volunteers, donors, community members and ArtSpring staff, that machine would not be the brilliant thing you see today. It is truly a team effort and I hope you enjoy the reward as much as I do. Treasure Fair is an opportunity to celebrate ArtSpring and the incredible creativity it brings through its doors. Thank you so much to each and every one of you for your support and here's to enjoying this incredible community

Charlotte Priest
Treasure Fair Coordinator
ArtSpring

In 2018, ArtSpring hosted 250 events attended by over 30,000 people. Just about three times the population of Salt Spring. It is a busy place. We thrive because of the dedication, generosity, and enthusiasm of our supporters. There are many ways to support ArtSpring: Treasure Fair of course (donate, bid, volunteer, send friends...), and did you know that using a Thrifty's Smile card will donate 5% of your purchase to ArtSpring and the Country Grocer Save-a-Tape program will donate 1% of your purchase to ArtSpring? Treasure Fair is truly an extraordinary event that is now in its 19th year. There's something very reassuring in seeing this positive and passionate community come together in support of ArtSpring. It inspires us to reach for new heights. Thank you to all of the volunteers, donors, and bidders who support ArtSpring through Treasure Fair each year. We couldn't do it without you.

Thanks for coming out – happy bidding!

Cicela Månsson
Executive & Artistic Director
ArtSpring

Thank you to all the wonderful volunteers who have done so much to make Treasure Fair 2019 a success. Thank you to all those of you who donated and to all those who have acquired treasures. Your support means so much to ArtSpring. It is the support of the people of Salt Spring through Treasure Fair, our annual Raffle, our Donor Appeal, and memberships that sustain and enhance ArtSpring as a resource for the multiple creative communities on our island. Human cultural achievement is a critical antidote to much that seems wrong in the world. We are fortunate to live among so many talented people on Salt Spring whose genius is a testimony to humanity's creative power. ArtSpring is dedicated to those creative people and the audiences who are enriched by their offerings. Please renew your membership, or join for the first time. Our membership numbers play a key role in our ability to attract grants to support the work of ArtSpring. Your engagement makes a difference.

A RUSSELL ISLAND AFTERNOON

Located at the entrance to Fulford Harbour on Salt Spring Island, Russell Island National Park is a small island with a large history. This island was settled by Hawaiians in the 1880's. The historic Kanaka house still stands and can be found on a side trail off of the main loop trail that runs around the island. An old water tower and shed also still exist. Through an agreement with the park reserve, the Mahoi descendants share their family stories about life on Russell Island during the summer months.

Rod Ostlund and Gail Muise invite you and 3 of your best friends to an afternoon touring around and on Russell Island. Meet at the Ostlund's Menhinick Drive home and travel by motor boat to historic Russell Island followed by wine, cheese and crackers on their oceanfront deck.
